

## Certified Mold Remediator

The Indoor Air Quality Association has awarded the credential **Certified Mold Remediator (CMR)** to the individual named below. In order to obtain CMR status, an individual must achieve a passing score of 70 percent or greater on a rigorous, 3-hour examination. CMR status is only awarded to individuals who meet experience requirements that assure field knowledge of mold remediation and related indoor environmental issues.

*Dwight Watts*

**CMR 03615**

**12/11/2007**
